## Medicare Learning Network® Suite of Products and Resources for Inpatient Hospitals

The Medicare Learning Network® (MLN), the brand name for official Centers for Medicare & Medicaid Services (CMS) information for Medicare Fee-For-Service (FFS) providers created this resource to promote consistency of information among Medicare physicians, providers and suppliers. These and other products are listed in the [MLN Catalog of Products](#). Access any product below by clicking on its title.

### Suite Component 1: Prospective Payment System (PPS)

CMS uses separate PPSs for reimbursement to acute inpatient hospitals, home health agencies, hospice, hospital outpatient, inpatient psychiatric facilities, inpatient rehabilitation facilities, long-term care hospitals and skilled nursing facilities. These products are designed to provide Medicare Part A providers with an understanding of the various PPS rates and classification criterion. **Visit the March 2011 [MLN Catalog of Products](#).**
